“ Frances used to tell me stories of my dad, her "favorite" Uncle Ray. She was a super sweet lady and I miss talking to her. RIP Frances, and give my dad a big hug from me!

“ Fran was a great mother to her kids and she was kind to their friends, even when she knew that some of us were a bad influence. She always knew what we were up to and didn't spoil our fun by letting us know that she knew. She had a great sense of humor and a loud laugh for us. We were always going down to the creek and dragging back a lot of dirt and nastiness that she had to ignore. Fran would go to the little league games when Bill umpired or when Ray and Billy played and not pay any attention when people booed Bill's umpire calls. She was a hard worker and was a great people person who was a valuable asset to her brother Don's business. She understood people's problems without being judgemental and my memories of her are all good. May she forever rest in the arms of Jesus.

“ Oh Karla, your Mom was such a wise caring lady. I think of all those slumber parties, putting up with us kids when she sorely needed her sleep. Or the times she'd fill in at Don's to help her brother out. Always smiling, always working, no complaining. What a lady. God bless.

“ I met Fran when we worked and became friends at the Hen House and thru church. Fran was such a loving, caring lady, my mom while at work. I'm so sorry to hear of her passing. This week she was in my thoughts many times. She has a special place in my heart.

“ Fran was one of my favorite people. What a sweet, kind-hearted lady. I'll always remember her beautiful, bright smile that lit up her whole face. Heaven is a little brighter now that she's smiling up there. So sorry for your loss!
