“ Jean was an amazing lady that I have always looked up to. I bowled with her years ago and we would love to tease each other. She was a Eucharistic minister at church at the time and I used to tell her that was like making an arsonist the fire chief. She always got a kick out of that. I used to run into her and Mrs. Rayman on their walks and would love to chat with them. I admire her service to the community even in the later years of her life. God Bless you Jean, I will miss running into you! Jorie

“ Although I only seen you a few times and chatted with you on the family website, my mother talked about you all the time and loved you dearly. You were the first person my mom wanted me to call when she had her kidney removed thats how much you meant to her.

You will be missed.

“ Jean was an incredible, loving, smart woman. A dear friend to my mother, Phyllis Rayman, who passed less than two weeks ago. South Hickory St. will never be the same without these two fun loving ladies. I'll miss Jean and always remember her.

“ Jean, I remember you when you visited my mother, Irene Golecki Swiontek or when we had the family reunions. I was very young at the time, but I still remember your smile. I am sure you are dancing polkas with my mom, dad, and the rest of the family.

“ There was no one who had more fun at weddings and anniversaries than my Aunt Jean and Uncle Wally. They loved to polka. I can still hear Uncle Wally yelling and stomping his feet with the music. I'll bet they are dancing together again tonight.

“ Well Aunt Jean, I'm sure that Uncle Wally has welcomed you home with all the other members of the Jaros Family. They've been waiting for you. You will be missed. It will feel strange that my Aunt will no longer be living in Manteno or be attending 5 o'clock Mass on Saturday's. I will miss stopping by on Easter Sunday to say hello to everyone. To my dear cousins Pat, Wally, Larry and Cathy, you have my deepest sympathy for the loss of your dear mother. I know you will miss her very much.

“ To my sweet Aunt Jean and email buddy for the last 27 months. As I scan through the emails (148) I found many that brought tears and joy to my eyes. I reminisce about what a truly remarkable lady she was. At 94 years of age she embraced technology. I would like to share some of her thoughts: “I am truly blessed to have such a nice family and neighbors and wonderful nieces and nephews. Bless of all you.” “The Lord has been good to me. I am a very happy lady. Have had a more beautiful life than I expected. I am truly blessed.” Aunt Jean’s last email six days before she passed away: “Thank you all for your prayers. Whatever the Lord has in store is fine with me . . . I am in his hands now . . . love one another.”

One of my favorite versus is:
Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near.
Still loved, still missed,
And very dear.

Your loving niece,

“ I remember the first time I met my Aunt Jean how kind she was. We were two little girls (my sister Louise) who knew no one at a family wedding. That was the beginning of a wonderful relationship and wonderful memories and times at her house. She has been such an inspiration the last years. We had so much fun, laughs and memories with our Golat get-togethers. She will be with us forever!

“ My great aunt Jean was absolutely the best! I loved listening to her stories, seeing her smiles, and listening to her laugh. She reminded me so much of my own grandma (her sister Mary)! When I heard the news of her passing I was so sad. She really touched the hearts of my family. We loved to make our yearly trip to see her at the Golat "doing". She impressed me so much, in her 90's she was talking to us via Skype and email! I would like to send my condolences to her family, the world has lost an amazing lady! You are all in our thoughts and prayers. I'm going to miss her so much!

“ When Jean and Wally moved to Manteno they moved in directly across the street from my family. I became best friend with Cathy right away. One summer my parents went to California on vacation and I didn't want to go. I was 16 and I thought I would miss out on something during the summer. It was decided that Cathy Jaros would stay with me at my house. I'm laughing as I'm typing this! Two 16 year olds, summer and a house. We had the biggest party Manteno had ever seen. Everyone came....including the police! Jean coined the phrase " Cathy and Charm are good kids...those bad kids must stay up all night. We have laughed about this for years. I think we probably put a few gray hairs on her head that summer.
I loved her dearly. I will miss her greatly.

“ Aunt Jean was the kindest, sweetest person you could ever know. She was the Godmother of my husband (Mark Golat).
I met her about 33 years ago when Mark and I got married. She always made me feel so welcome into the Golat family. She attended my daughter Jordan's wedding last October 11th and it was so great to see her smiling face. Mark and I will miss her dearly. Love you Aunt Jean
