“ *I went to school with Karl. He always was joking around and never held onto a grudge. He was fun to be around. He helped me to place 4th at our diving conference. I am so sorry to hear of his passing.*

“ *Karl has been a true friend for over 20 years. I really can't believe that he is gone. My last time with Karl was sitting on a kayak in a lake fishing slaying bass and catching up on things for hours. I couldn't ask for a better last memory or friend*
