“ I worked with Andy at NM Transfer. He was an interesting character for sure! I came to appreciate his character moreso after our truck driving days. He was a nice guy who was fun to trade jabs back and forth with. I'm sad that he left us at what I consider to be too young of an age. I'm glad he had some time to enjoy life with Jean before he passed. Rip Driver.

I'm at the Manteno Antique Mall quite a bit and Andy would stop in say Hi and we'd catch up on our families and how everyone was doing. I will miss you Rest In Peace now and while you are up there in Heaven give all our loved ones a big hug.

“ I'm so glad my dad & I reconnected after many yrs apart. We got to talk, text & he was able to come dwn & visit myself & my wife. There's a lot of similarities that he & I share. The short time we got to spend together I will remember forever. My wife, Tanya, misses him just as much as I do. We miss him but we shall meet again in Heaven. Love you DAD, your son Eric Stewart.
