“ *i remember a time when we lived in east hazel crest i got really mad at him for some reason and i jumped up with my chest out and craig said gary settle down i don't want to hurt you, so i took his advice , we joked about that many times later in life , thanks for not pounding that day craig . he was always happy to help with any plumbing issues over the phone or in person. we always had good conversation and a laugh or two whenever we saw each other. rest peacefully my friend.*
