“ *Betty was a wonderful woman. She was the kind of mom that most of us wished we had. I will never ever forget her laugh with her children in the kitchen at their home in Manteno. Your family has gone through a year of trials, that is for sure. But, love continues to shine in the fabric of this family and I haven't the slightest doubt that it will continue to shine. May God Bless and keep you all. Kimberly (Howard) Huth*
