“ Our Beecher Cross Country teams of the late '70's always had a great deal of respect for Chester, Coach Klipp and the rest of the Manteno guys. It was a great time to be in the KVC, since we made each other better week to week through the most honest and pure form of competition - distance running. Chester was a great guy to compete against - tough as nails in-race, but a great sportsman and personality afterwards. Rest in peace "H".

“ *Class of 79...WIT was his motto. He loved to run x country rain or shine. In wrestling if he didn't make weight he would just go up in weight class & win! H had no fear. Too many memories to post, but thank you for them all, thank you for being our friend & thank you for making our world a better place. RIP*
