“ *My deepest condolences to the whole family. Chloe will forever be in my heart. Some of favorite memories were when we'd be outside & a breeze would catch her feet (she'd kick them right out of the blanket lol) but her face would light up & she'd smile big. Loved watching Erin sing & make silly faces at her, Chloe would always try to do the same back..that big big smile is what I always liked & I'll always remember. I love you all!*

“ *I am so sorry for your loss . I can not know how u feel but i do know it would be the most horrible feeling in the world she was a beautiful little girl. And very sweet. This breaks my heart but i do believe she is flying as high as she can and laughing and playing with all the other little angels, and she is wrapped in Gods arms and one day u will see her again. Again there are no words i can say to you. May God also put his arms around you Erin and Tim and comfort u but know she will never be forgotten she is in your hearts and will never leave there. I did not even really know her and she touched my heart. She was here for a reason and God has called her home for a reason so God Bless both of you hugs*
