“ *We send our deepest sympathy to Ruth and the boys. Chuck was such a good man. He fought a long battle. We pray that his family and friends remember him as he was when he was healthy. Whenever we look at our garage and porch, we remember the great ideas Chuck had to make it perfect for us.

“ *Our deepest sympathy and prayers to the Barber family. Our first memory of Chuck was when we first moved to Manteno many years ago and my husband was his assistant coach for our youngest son Marcus. Chuck was a great coach with a warm smile and made us feel that we belonged there. Years later, our son Marcus and Phil became good friends. May God comfort all of you during this difficult time. “ 25 years ago I met Chuck Barber when he built my home for me. One hears that it can be a horrible process, but Chuck made it a pleasure. He would make suggestions on adding or changing things that he thought I might like. During that time, I gained a friend that summer. Chuck loved to talk and he loved to laugh. My sympathy to Ruth, Paul and Phil. May God comfort you during this time.

“ *Several years ago, Chuck was doing some construction for Sandra and Roger Schnitzler. Sandra was watching my youngest Carter and other kids at that time. The kids would see him every day and dubbed him "The Tool Man". Chuck would also bring his dog Russell with him, so of course, the kids loved seeing his dog too! My son is now 12 and whenever he would see Chuck or his construction vehicles he would talk about that time. Chuck made such a positive impact on those kids because they would look forward to seeing him and Russell everyday! RIP "Tool Man"!!*

Chuck was our friend, our contractor and remodeling expert, Rondy's fishing buddy, and a member of our euchre club. We will miss him so much! He will always have a special place in our hearts, in our home that he remodeled several times over the years, and in our memories of good times shared! We love you, Chuck!❤️

“ Am so sorry to hear about Chuck but he put up a hellava fight. Thanks to his wonderful wife, he was able to enjoy a few extra years. Ruth and family, I am so sorry to hear of Chuck's passing. I have so many memories of seeing him in his truck all over town working on projects. Of course, there were times those projects were at my home. May God's love comfort and give you peace.

Chuck was one of those fun people you can never forget....it seemed like he was ALWAYS smiling! He was such a talented builder and did exactly what God intended for all of us to do: he used the gifts he was given to help others and better the world. My prayers go out to the entire Barber family. I hope you gain comfort from all the fun memories you shared! 🙏❤️

Chuck put a huge beautiful addition onto our house. I still remember the time his truck was on fire in our back yard. He was someone we both knew. But by the time he finished he had become our friend. We know his dad Bob, wife Ruth and the boys Paul and Phil. He sure fought hard to keep on going. He was an amazing guy. Our sympathies are with all of his loved ones.
