Daniel J. Horvath, 53, of Lockport, passed away on Monday, October 10, 2022.

He was born on December 3, 1968. He was the beloved son of Deborah Horvath.

All of those who knew Daniel, were aware of his humorous and cheerful spirit. He was a great man who loved his family and friends.

Daniel was a skilled electrician who was often admired for his hard work and dedication. He enjoyed the outdoors and loved to go fishing. He was a great admirer of the Chicago Blackhawks and the Chicago Bears. He had much love for the city. Most of all, Daniel had a passion for riding his Harley. Rain or shine, on beautiful winding roads in Tennessee, in the Smoky Mountains, or good ole' Route 66; Danny just loved to ride. He loved his biker community and took great pride in his part of it.

He is the proud father of Chelsy Horvath, and the grandfather of Aksel Brito. He is also the beloved brother of Sheri Hoselton; and uncle to Alyssa Matherly and Mikey Hoselton.

The countless joyful memories Daniel gave his family and friends will live on

and be cherished forever.

Ride those golden highways Daniel,
ride with the angels in the clouds,

and may you ride in peace.
