“ *My heart goes out to all of my family in the loss of our funny and exciting uncle. Uncle dave could ALWAYS be counted on to keep us laughing and keep our mood light during difficult times. I hope all of our family can take comfort in knowing our loved one is no longer suffering. He is now with other family that has went before him, and if I know my uncle there is a party in heaven and him and danny are getting in trouble right now ;) I hope in the days to come god will wrap his merciful arms around you and give you comfort and peace as you go through your days ahead. God bless to my aunts, uncle, and cousins. Hugs and kisses from South Carolina. I love ya'll-
