“ Sherry I'm sorry for your loss. I wish I could be there with you in your time of need, but I have been unable to get a flight. I have so many memories with you, David, Doty, and Kathy as part of our family. Sharing the holidays, our kids growing up together, our time of playing card and just hanging out together. You and David were always there for me, and I am sorry that I can't be there for you now. David was always the best of friends and if I can do anything for you please let me know. My prayer are with you, Sherry, Doty & Kathy. Dawn also wishes to send her condolences and wish she could make it up there too. Love always to the best friend I ever had.
