“ Son I love you more than life itself. You mean so much to me. Everything to me. Your sister misses you. Your cat cookie misses you. I love you. The best moment of you for me would be the day you were born. Holding you. Kissing you. Looking into your beautiful eyes and seeing love, kindness, and greatness. I have been around a long time. And I have never met a soul like yours. You make me proud to be your father. You made many people happy knowing you. We miss you and I hope with all the prayers coming to you that you can hear daddy's voice telling you I love you and I miss you. Sissy misses you and loves you. Your momma misses you. I love you son. Nothing will ever change that.
