“ *I'm Linda Hopper son Jonathan Hopper
My uncle Edward was a good man. He was always good to us when
we were kids. I'll always remember him and showing us what a
good man should be. My own father had alcohol problems and was
never around much . In my memory we would see uncle Edward at
grandma's house and he would sit and talk and in my eye's as a
child I looked up to him as the man I wanted to be someday.
I only wish all are families kept in better touch and I know in this
face paced life we have all slow down for family
He will always be in my heart.
He's in heaven know looking down saying slow down for family.
May god bless us All
Sincerely Jonathan Hopper*
