“ Hi Grandpa. I'm going to really miss seeing you at the house whenever I'm there. It's all the little things from over the years that have become permanently etched into my memory that I will never ever forget. Hearing you tell me to take the cans home with me and asking for "the usual" for what you needed from the grocery store: lemon cookies, donuts, and orange juice.

You were the best grandpa I could have ever asked for.

I do have one confession though. Whenever you asked for a small hamburger and fries, I always got you a medium. Grandma and I would have a little smile together as you ate every last bite after you'd complain it was too much for you.

I'm going to miss you so much. I love you.
