“ *Fern was a dear friend of my mom Vineva Yover and our family. We had many fun times visiting the Felber family over the years in our childhood. I am happy that my parents and Fern and Ernie Felber are reunited in friendship in heaven. The Felber family will always be special to me. My deepest sympathies to all of you. Debbie Yover Fry*

“ *I'm so sad to hear that Ferne passed away. I'll always remember her smile and how she loved to give me hugs while she was a resident at Miller Rehab. Lisa Donahue*

“ *I've known Fern since high school because her sister, Adeline, was a boarder at my parents home in the late 1940's. Fern came over to visit her sister, which is how we met. She was in high school at the time, and was carrying her books with her. We've known each other ever since. She also used to do my hair for many years. We visited her home in Manteno when she had her shop there. She had goats at the house back then. She was always a good person and a good friend. We were together at Miller for a while and we were always happy to see each other there, before she was moved. My deepest condolences to her family, Nedine Bowman*

“ Ferne was always so helpful and understanding. After working for her for 11 1/2 years I was broken hearted to find out that I had to work during the time to officially say See You In Heaven. My heart goes out to the family that meant so much to her. I know that it will be a lose eventho I am sure that it will be a relief since she isn't suffering anymore.I thought about all of you as I was driving at the time of the funeral and was very sad that I couldn't be there. She did a lot for me and taught me a lot during the time that I went to beauty school. She actually taught me things that the beauty school didn't. I have great memories of how she helped me and will miss her greatly but I am relieved that she is not suffering. I wish I could have been there to give all of you a big hug since I know that is what she would have wanted me to do. Hugs to all of you. Joann Lambert

“ So sorry for your loss. She always seemed content when we were at Miller the same time she was there. We would see her at the various activities. This one picture was from I believe a Singing activity one afternoon. May God's love and grace bring comfort and peace. You have a beautiful family. Hugs to each of you. 💕
