*It's been rough. I remember waking up before you went to work. I would always snatch a prune and banana off your cereal. Love and miss you everyday. Love your one and only daughter MaryEllen*

“ My first memory of meeting Frank, was at Christmas Mountain during Labor Day weekend. My best memory was when I asked him for permission to marry MaryEllen. His reply was "Are you sure you know what your getting yourself into"? Shortly thereafter, he because my father-in-law and was welcomed into the family. Go have a sip of "medicine" dad and relax. You've earned it. Love, Bob
