“ *Sorry to hear about my old pal Scott ("Hockey back in High School") passing away. We had the greatest time back in High School and we both did our share of roadloadin on the weekends together. Whether it was talkin about cars or solving the world"s problems we had some great times together. He had the coolest red 1965 Chevy Impala back then and we spent alot of days at his Dad"s station. He came to a few of my early birthday parties as a kid and we always had great times. Scott will be missed by all that knew him and loved him. He truly touched alot of lives. My sympathies go out to the whole Stegle family at this time. Barry Thompson*

“ Scott was a great guy. We met at county gas 2 or 3 times a week for twenty years. Our meetings is one of the things I really missed after I retired. We always had the Cardinals and fishing to discuss. I am deeply sorry to hear of his passing. My condolences to his family.

“ *So many memories. The two of us heading to the Rosemont to see Marvelous Marvin Hagler. Seeing Scott play Jack Sikma tough in high school basketball. The horseshoe games at Worsh's and all the other "L Team" shenanigans. Gonna miss this legend. Prayers go up for the family.*

“ Everything Scott did he did right. Friends like him are rare. When he retired he said “I feel bad leaving. We have a lot of things to do”. Thats the kind of man he was. Thinking about his job & his friends right to his last day.

“ So sad to hear of Scott passing. Last saw Scott back in December right after Christmas. Arta and I had a nice talk with him. We discussed growing up in Manteno, hanging out at his dads gas station, M H S, and of course sports! Our sympathy and prayers are with Scott's family and friends! RIP Scott Stegle. “ Scott was a friend of mine that can never be replaced. When I was sick in Riverside he came & saw me everyday; He even brought me a newspaper. When i was transported to a Chicago hospital he came and saw me there too.  
My days will never be the same with out Scott.
