“ *To Irma's family,*

Our family met Irma when our Dad went to the VA home in March 2012. She was so personable and we really appreciated her making sure our Dad received the Holy Eucharist. She would buzz around on her motorized scooter and she was never too busy to stop and talk. She was a true example of a devout Catholic. We miss her smiling face at the VA but we know she is smiling as her eternal life begins. She was a beautiful person both inside and out. Please know our prayers are with you.

“ *Amazing Grace, how sweet the sound,
that saved a wretch like me
I once was lost but now I'm found,
Was blind, but now I see*

I thank the Lord for the years you were in our midst, you always walked with Jesus before you. Now you are with Him in peace, yet I still stand in awe of a devout person that did His work with such humility.

*Knowing you was a true blessing, you were always in my prayers.
Va avec Dieu et merci beaucoup
Au revoir, Mme. Pepin*

“ *I am a Dominican Sister who lived at at MCHS' convent in Chgo. Hgts. I spoke many times with Irma who PREACHED the message of Jesus as she lived her life of love for all God's children and her "guys" . She will spend her Heaven sending them heavenly gifts and all those she knew and loved in this world. My prayers for all the Pepin family and the Veterans who miss her presence and her faith-filled ways. I am begging the Jesus she loved so dearly, to fill the void with Holy Spirit gifts. I also thank God that she touched my life. Sr. Marion Sitkiewitz now living in Springfield, Illinois*

“ To the Pepin family I am very sorry for your loss. Your Mom, Grandma, Aunt, was the most wonderful person I was honored to know. She would come out to the Vet home on the bus. She was so young at heart and she loved her family dearly, she talked about her son, Beth and Michelle, and her late son David. She was very proud of all of you. The vet's love it when she came out, I am the operator, so when she didn't come out they would come up and ask about her all the time, they worried about her and loved her prayers, the one she would make up. Those prayers were always beautiful. I feel very blessed to have know her and to always give her a hug, I made sure she got home and in the vet's home safely, I am so glad that I told her I loved her. God bless her. I know she is having the greatest time right now In heaven. She is now our ANGEL. Love you Irma I will greatly miss you.

“ Ms Irma was my neighbor for many years. We would mow her lawn for her and she would have me over to review the prayers she created for the Veterans. She shared the stories of her life with me from when she was a little girl. We would sit and I would enjoy her stories. She would talk about her sons and how she was concerned for them and had prayed for them and her family all the time. Being able to be a part of the neighborhood and community that had the opportunity to watch over Ms Irma so she could do "her work" for the Veterans was a privilege and an honor. Especially her calling me her little angel. I know you had many and there was not a soul you met you didn't want the best for.... God Speed sweet Irma Much Love Always.....

“ Mrs. Pepin was my second grade teacher in Momenca. She was an amazing teacher and touched many lives. She encouraged all of her students to work hard and to be unique and she always made each and everyone of us feel special. Myself and two friends put on a play for the whole school and our parents. It is something that I will never forget. I feel blessed to have known such an amazing woman.

“ *Memory: A little over 4 years ago, I also was on my way to the VA to visit my Dad it was a horribly cold, windy, bitter day and really was in no mood for a long bus ride! When we stopped.. a petit woman boarded with her walker looking very chipper and ready to go. I thought to myself " Dear God if this little lady can get on the bus (guess she was about 94 at that time) I guess I can too. Thank you for keeping an eye on my Dad and many others. GODSPEED TO YOU IRMA!!!*

“ *I taught with Irma when I first came to Manteno to teach first grade. She was dedicated to children and later in life to those Veterans she visited each week. I know her heart was broken with the passing of her son but won't she be smiling when they reconnect in heaven. My sympathy to the entire family. Gale Dodge*

“ *Irma was a wonderful person and dedicated her life to teaching children and helping others. We enjoyed each others company for many years on our commute to the schools in Momence. She told loving stories of her family and was proud of her husband's church commitments as well as her own. She lived a long and meaningful life and will be missed by all.*

“ *Mrs. Pepin was my 2nd grade teacher. I just loved her! I still have the book that she told me I could keep if I could prove that I could read it to her; my 3rd grade daughter read it in second grade as well.*
