“ I had the privilege of knowing Jackie since I was about 5 years old. When I was about 10, Justin invited me to come along to lake Shelbyville. I remember she would snap her fingers to music on the way there. Almost as soon as we arrived, Justin got sick and I was left with nothing to do. Jackie & Mike felt sorry for me so they took me out on their ski boat - just me and them. She taught me how to ski. As I reflect, only now do I realize what a selfless and generous act that was. She will be truly missed by so many who enjoyed her compassion.
