“ I was a classmate with Jean at Reavis, class of 66. Jean was then quite a character and one of a kind. She had a happy personality and was always ready to make you laugh. It seemed to be her mission. My sympathy, thoughts and prayers are with Jim and family.

“ I haven't talked to Jeanie Beanie in a few years but I have many fond and funny memories, in fact too many to mention. I will hold them fondly in my heart, and always think of her with a smile. I am sure her mom is waiting to welcome her at the pearly gates. You will surely be missed Jeanie.
I love you, Georgie Porgie

“ We were just sitting thursday at the fitting room and you had to learn to work the new phone and you told angel she couldnt get a break because you needed help and we all laughed then you told me you staying here right and I laughed and said yes. We had lots of laughs that day and I just could not believe the news. You were a wonderful person and god just gained a angel in heaven and im praying for your family now and forever.

“ Jean was a very good friend for a very long time. We were always going to get together, but sadly did not. She was a very special person; she and Jim took care of my 4 kids when they were very young so I could go to work. My deepest sympathy to Jean's family.
