“ *Everyday I was at the courthouse and Jerry was there, we would chat about a few things. He was always so positive and gve me a boost for the day. So sorry for the loss to all of us, but especially the loss to his family. What a fine person. My thoughts and prayers are with you.*

“ *Jerry was on my shift at the courthouse from the first day I started as a Bailiff. He was lots of fun to be around and had lots of good stories to tell. We shared many meals together at Lori's Diner. I just got into town and heard of his passing or I would have been at the services, sorry Edna for you loss. He sure was good at remembering everyone's name and going out of his way to say hello to those he would see. RIP Jerry see you another day... Ernie Richardson, Bailiff...*

“ I enjoyed having Jerry as a bailiff for several years off and on depending on my courtroom. He was always a bright face when I walked in the door and many times went above and beyond and helped me carry things from and to my car. He was a gentleman always and always had a kind word. We all are better off for having known him. We know he was ill and is now at peace. You all are in our thoughts and prayers as is Jerry.
