“ I lived a couple blocks away and would walk to Aunt Juanita's knowing there was always cookies waiting there and a big hug when I was done. I'd spend the night with her when uncle Ted was on the road cause she didn't want to be alone. Use to go shopping with her and my grandma on Saturdays when I was little. I always felt loved and safe when I was with her. She was a very special person in my life. I will miss her greatly. Love Billy

“ Remember meeting Juanita the first time. Shortly after walking away I thought

"She is such a sweet lady, the world would be a better place if more people were like her!" Through the years she just proved that thoughts so many times over. She diffenatley is the kind of person who leaves footprints on your heart forever. Feel blessed that I was a part of her life. We will miss you. Love Holley
