“ *Such great memories of our time we spent on the job!! A lovely lady. We both grew up in Harvey. We had great stories. The one story I just told my daughter...was when she got stuck in the elevator at work. One of our doctors came to her rescue. She had to climb out on his shoulders to get out. Imagine our faces when she told us the story. In memories she will live on forever. My deepest sympathy to Aaron, Amy and all the family.*
