“ I think about you everyday. Even before you had passed. All the fun times we had watching family guy and archer. When you made food and made my plate as big as yours and said I was too skinny. The times I made your shower cold and put a rubber band on the sink sprayer. And your smile everyday u woke up. U hated sweets it was always meat and potatoes. The best times and smiles I've had were with you. I remember coloring with you. I still have those pictures. I hope heaven is beautiful. When the sun shines I know u are looking down and smiling.
