“ I have many memories of Lana. The one that I remember the most is her babysitting my sisters and I until I was about 13. She would watch us from 5-8 in the morning then after school. But during the summer she would pack us up and we'd spend almost everyday at the beach. She even persuaded my mom to purchase a membership and occasionally join us on nights she'd get home from work early enough. As I got older, I had my first child and she helped me with him making it capable for me to graduate instead of dropping out off school. I remember I seen her awhile back at the laundry mat and we sat and chatted for over 2hrs about "back in the day" She's an amazing lady and she will be missed! 😞 My thoughts and prayers are with her family thru this difficult time. May you find comfort within the many memories you have.
