“ I know you put up a big fight but this one was too big. We shared so many adventures over our 65 years of friendship. Skiing in Wisconsin (amateurs acting like experts but we looked good), 25 mile walkathon when not in shape in our 20s (we kept each other going when other one was ready to show the white flag) but we did it. You went with us to Spring Break to Florida which you said gave you the bug to travel. You also taught me to drive a motorcycle which came in very handy 2 times. Thanks for the longtime friendship and memories! Linda Hartman

“ Lana and my sister, Linda Wilson Hefferin, were good friends in grade school. Lana would come to our house and whatever they were doing (I was younger than them) she would always include me. She always made me feel important! Within the last few years, Lana was a patient, where I work, and came in often . Always, ALWAYS smiling, kind, and in a good mood, yet we knew she was in pain. GOD BLESS YOU, Lana!
