“ *Larry was always a jokester. One time when I was opening their restaurant. I reached into ice machine and Larry had stuck his fake arm in there. At 4am and only dimly lite I freaked out. He came in laughing so hard. Many days snowmobiling and just hanging out. He was always a gentleman and kind to everyone. Rest in paradise 🥰 you will be missed by many 🙏*

“ *In total shock as I'm sure everyone is. Uncle Larry, I wasn't around a lot as I got older and I regret that so much. I remember when I was little, I was afraid of you because you always looked mad, I've grown to realize you were such a sweet person and would give the shirt off your back if someone needed it. I am lucky to call you uncle. I have a lot of memories staying the night at your house when I was little, holidays together and weekends spent with the whole family. I have missed out on a lot of time spent with family having started my own and then moving states. But I will never forget you and I love you ! I will miss you Unc!!! Love your niece, Gwen*
