“ *Aunt Lil was one of my nicest Aunts.  
she always had a smile and a nice word to say.  
To her family, please accept my deepest sympathy.  
God Bless you.*

“ *In Granny's later years, I always loved it when I asked, "What have you been doing Granny?" She would always respond with, "Oh, it's all fun and games!". Love you always Granny!*

“ Mrs. Klipp was an amazing lady. And she was a "lady" in every sense of the word. Her and her husband and my parents (Dale and Carrie Kistner) were good friends. She went shopping with my mom and I when the closest "mall" was Park Forest. Many good shopping trips and many good memories when I was younger. In 1979 she hand made my wedding dress which I still have today. Each satin button on French cuffs just just I asked. I was heavy as a young adult and was so self conscious and with her I always felt beautiful. She was truly and extremely special person and family always came first and foremost. I too enjoyed watching them dance and my mom would often dance with Skip because my dad didn't dance as much as my mom loved to. I always wanted to dance like that and at Skips' retirement party at the legion he tried to teach me, unfortunat for me I didn't pick it up. I could go on and on about how wonderful she was but if you knew her you already know it. She will truly be missed and thought of with the fondest of memories. And I'm sure there is a big dance party in Heaven. God Speed my friend !!!

“ We have many memories of Lil and her husband Skip. We loved to watch them dance. They really knew how to enjoy themselves. Skip and Don were first cousins. Our daughters always called him Uncle Skip. Don's father (Bud) always enjoyed his visits. Lil and my Mother Betty Coleman were good friends and did many things together as two widows. they went to church together, out to eat and attended many local activities. These two women are probably already laughing and having a good visit. In heaven. I wish we were going to be home for her service. Unfortunately we are in Az. You all will be in our thoughts and prayers.
