“ *We are so sad to hear about Lin. We have so many great memories of her. We lived across the street from her and the family for over 12 years. She was an awesome neighbor. A memory that still makes me smile is when she called one afternoon and said she had a question about a recipe she was making that day. I went over and she had a mountain of garlic heads covering her kitchen table. She said she was confused about how to use the 40 “cloves “of garlic in her “Forty Cloves of Garlic Baked Chicken Recipe”. When I gently explained the difference between a clove of garlic (ten to fifteen cloves in each head of garlic) and a head of garlic she burst into laughter. I think I went home with ten heads of garlic that day! She spent quite a bit of time that day passing heads of garlic out to the entire neighborhood!*

“ *I will always remember Lin as one of the sweetest, warmest, and kindest persons ever. I had the great pleasure of working with her for over 20 years. I always looked forward to getting to the office to see her, she would greet me with her unique " Good Morning, and how you doing" it just made my day. We would talk about our kids and families boy did she love her children and grandchildren around 11:30 - 12:00 every morning Bill would call and Lin just perked up after those calls. I will miss her more then words can convey I will try to fill the emptiness with wonderful memories that I will keep forever. I will miss her everyday, but I will take comfort and count my blessings that I got to know her, and love her for all those years. Heaven has another angel.*
