“ *Just heard of Linda's passing, went to High School with her, a very kind and loving person, and liked to laugh. Her Dad was our postman at 1175 W. Lawn Dr. and @ 1477 W. Hawkins, I know he still knows the numbers. God bless the family in this difficult time. From Jim Enz*

“ I will miss you my friend. We had so many years of fun. Sometimes we cried together but, we always came through the hard times and our friendship was stronger for it. I am always going to keep you with me in my heart. I imagine you now reuniting with loved ones and your pain is gone. I know we'll meet again you just went ahead for awhile. God bless you all

“ My condolences to the families...a beautiful person gone way too soon. Although I hadn't seen Linda in years I got to know the Thompson family way back in high school from hanging around with Greg. Linda was always upbeat and "bubbly" for lack of a better word. Cherish her memory and may she rest in eternal peace.

We will miss our dear neighbor terribly. Linda, we know you are at peace now and we all have a special angel watching over us. You were "Grandma Linda" to our kids and such a special friend to us, we miss you so much already. I always told you that you were my inspiration, you gave such good advice and could always relate to me, thank you for everything. You and Andy are the best "extended family" we could ask for! We will love you forever and see you again someday. The Norton Family
