“ *So my mother has the kindest heart. So for Christmas she would make a billion different cookies and she would put them in a nice Christmas container and give them as gift to her colleagues at work. These cookies tasted like heaven my goodness. And I would sneak into her room where these huge containers of yummy cookies would be and I'm sorry but I would take hand fulls and there were some many different kinds that's how I got fat lol God I miss that so much . I miss her to the moon I know I wasn't around a lot due to reasons that most won't understand but that never once ment that I loved her less... Unfortunately I have to live with the fact I missed out on so much because of my choices and I know my mom and I know she understands and loves me just the same My heart hurts so bad and unfortunately I don't see it healing any time soon....., Thanks for taking the time and for all the prayers my sisters and I appreciate it more the y'all will ever know Xoxoxo*
