“ *Gram, I am forever heartbroken without you. I miss you so much! Thank you for always being there for the family. You were the "GLUE" to our family. We had so much fun together! I will always cherish our fun memories and the silly things we did. You are my role model. You always helped anyone that needed help. You gave encouragement and you always said " if you have a problem fix it, don't cry about it just fix it" I love that motto and I will live by that. Thank you, grandma, for everything! We are who we are because of YOU! I love you forever! Love you!*
