“ Carol & family: Our hearts are saddened for you but rejoicing for Orval. We have so many memories of great times with Orval & Carol and feeling like part of your loving family. Your visits to Florida where we road tripped to a winery like we had never seen before - in the woods - not like Brys in Leelanau. So much fun in Leelanau at the Pines.

Orval was a special man and we are happy we could call him a friend. Prayers for you, Carol, and for all your family as you begin a new chapter in your life without the husband, father, grandfather and great-grandfather you loved.

Love, Bob & Marian

“ Orval will be greatly missed by everyone at Leelanau Pines, their summer place. He loved playing cards with his friends, or sharing a glass of wine with anyone who stopped to say hello. He was an institution at the Pines-the place won't be the same without him. Carol and family, you have our deepest sympathies and we will keep you in our thoughts and prayers. Perhaps we can celebrate his life this summer at the Pines. Dave & Mary Query.
