“ *I met Patty in 1986 and knew then what an amazing woman she was. I didn't know a lot of people in South Holland and she immediately befriended me. She was an excellent seamstress and she made curtains for me that were absolutely beautiful. Her laughter and love for her family was so very beautiful. To this day when I hear a Bob Seger song (especially Old time Rock and Roll) it instantly brings a smile to my face. Patty will be greatly missed by all that loved her. RIP sweet lady ~*
