“ I'm so sorry for the families loss..I just found out about her passing and I am heartbroken. I met Pat about 5 years ago when I became one of her daily caregivers. I was with her for a couple of years or so. In that time, we established a good and caring relationship to which I considered her more than a "client". Pat was funny, loving and such a kind and compassionate soul. But she also had a "told it like it is" type of attitude. She was a strong and determined woman. To know her was to love her. She loved her family, friends and her dog, Danny with all her heart. She was as active as anyone I ever knew. She enjoyed her volunteering and going out in the community anytime she could. I enjoyed my time with her was blessed she became a part of my life and will never forget her. R.I.P Pat. You are now with God and free of pain. You will be forever in my heart and will be missed by so many who knew and loved you. ❤️

“ *Glad to have befriended Patricia a few years back and shared a sense of humor that we both had enjoyed. I enjoyed helping her when she needed something done. She will be missed by not only myself I'm sure. Sincerely Rich S.*
