“ My sympathy to Bonnie and family. Pete always had a Hello and hug when I saw him at Mass. We where Birthday buddies as he was only 12 days older than me. His musical talents will be greatly missed.

“ Several years ago Peter and I and some of the rest of our family got together for a family reunion of sorts through a Facebook page and a video conference call. It was so good to renew our relationship with Pete and his siblings. We found out that his grandsons were champion wrestlers just as my brothers, Paul, Joe and Kean, were. It was great to see pictures of them and it was equally great to message each other from time to time and keep up. Pete was a wonderful and loving man. He will be missed.
