“ *I remember having a wonderful visit to Illinois with Grandma, Uncle Phil, Aunt Carolyn and Yvonne when I was young. What I will never forget, is having a conversation with Uncle Phil on how to ask for "camera film" in a southern Illinois accent as no one could understand a New Yorker. ;). Uncle Phil, you will be missed.*

“ *Vern and I will really miss Uncle Phil. He was definitely one of my favorite uncles! When I first met him 26 years ago he MADE me call him UNCLE Phil. Let me tell you, I was proud to do so! We shared a lot of good conversations at VIPS restaurant. We also had some good talks at the store I work at, which is in the same parking lot as the restaurant. Uncle Phil would stop in to see me sometimes when he was at the restaurant having coffee. He would walk around the area for exercise and stop in. I miss that! Uncle Phil has two nieces named Joyce and he called us both JoJo. I hadn't been called that since I was a kid. He was my family from the start. Vern has many, many good memories as well! Rest In Peace Uncle Phil. Forever missed and forever loved!*

“ Sorry to hear about Phil passing away. I worked with Phil from 1979 when I started at Armstrong until Phil retired. Loved Phil...always great advice for the young guys first starting work, telling me to put money away and save for retirement. Phil had some of the best jokes too. One I still tell to this day!! Always remember the raffles, and Football pools at work. How much are they Phil... 3 squares for a buck, Fish !! haha RIP my friend !! See you on the other side !!
