“ *Dear Jackie, Pam, Bob and family, I have so many memories of good times spent with Uncle Bob and your family they are too many to count. Know that I send my love and prayers to him and all of you. Wishing I could be with you now. Love, Cindy*

“ *I met Bob and Jackie in 1950, and we instantly became like family. Over the years we spent most of our holidays, birthdays, and anniversaries together. In all those years, I have known them, I have never heard Bob speak unkindly about anyone. We raised our children together, and we will miss Bob in our lives. You and he will always be in our thoughts and prayers. Bob, just know that we will always be here for Jackie and your family, Love, Nancy*

“ I'm so sorry about him passing away. I remember always him and you coming to our birthday parties in Frankfurt. We would have fun chatting and playing game. Thank you and him for being a big part of my life

“ He was so very kind. When I was really small, he and Aunt Jackie would visit. He would take my hand and we would run down the hill in my front yard. He made the simple action of running down the hill an adventure, and a memory I treasure all these years later. My thoughts and prayers are with you all.

Love,
