“ Ryan,
You were always there with a big hug and smile.
I am so thankful to have known you and for the love you showed my niece.
We will all help take care of your daughter and I know with you watching from above all will be ok for her and the family.
Your time on earth was just to short.
Until we are all together again you will be missed.
Love always

“ Ryan was in the military when I first met & became friends with his mom Christine, but she talked about him all the time & shared so many stories about him that I felt like I already knew him when I finally met him. To know Ryan was to love him, he would go to the ends of the earth for his family & friends. We didn't see each other often, but when we did it was full of laughter, a few drinks, probably some dancing & always great times. My memories of Ryan will always make me smile. If Ryan didn't know how much he was loved while he was here, he knows now. Rest in paradise, my friend & keep watching over your mom, Harlei & Traca. You will be so missed. 💔

“ Ryan had a heart of gold and would do whatever necessary for the people he loved. I personally can not thank him enough for the kindness and support he constantly showed me through my happiness and struggles. One original human being that will be dearly missed. I will forever think of you anytime I hear a bike roll by or when I stare at my own wishing I had one more ride with you brother. Bear hugs and kisses to the McBride family from bottom of my heart I love you all and send strength during this unbearable time.
