It was an honor to know Sandy. I have known her for over fifteen years as a friend and coworker at Indian Oaks Academy. She was a ray of sunshine and would always there with words of wisdom encouragements and the occasional push when needed. I will always be grateful for all the time we shared in conversation. My deepest sympathy to her family and friends, may God Bless..

Sorry to hear about Aunt Sandy. Miss you all. When I was little, I always like coming over to your house or when we all would meet up at Grandma and Grandpa's. I can't make it to the services due to work.*
