“ I will miss my dear friend. Scott was instrumental in welcoming me to Manteno my freshman year. I was notified this morning of his passing and was at a loss for words. So young and one of the smartest people I knew. The memories that I have of Scott are vast and ones that I will always treasure. When I ran into Rob awhile back, I was so excited as Rob mentioned that Scott and Linda moved back to the area.

To the entire Shipp family, my heart goes out to each and every one of you at this difficult time.
