

Sherry L. Walters

October 24, 1967 - April 25, 2025

Sherry L. Walters, 57, of Manteno, passed away on Friday, April 25th, 2025.

She was born October 24th, 1967 and brought so much love, laughter and comfort to everyone she knew and came across. Her very special laugh will never be forgotten as it was contagious.

Sherry was a person with many talents and joys. She loved to bake (she had the best fudge recipe), she was also very crafty and had tons of ideas. She enjoyed collecting M&M items, watching football (BEARS), Cubs were her favorite baseball team. She was always active but her favorite thing in the world to do was to spend time with her niece Maicha. You didn't have Sherry without Maicha and vice versa. They were inseparable or as they would say, Maicha is the pilot and Sherry was the copilot in this journey and life.

Sherry is survived by her niece, Maicha Padilla, sisters Pam Zimny (Mike), Jessica Walters, her brother Fred Walters, niece Rochelle Walters, nephew Gage Walters (Hailey and Jazz), niece Alex Walters, niece Sarah Zimny (Vivi, Xavier, Dom, Ben and Bella), uncle Mike Cox (Alicia).

She will be remembered fondly by so many more especially from her work family (Debbie and staff), friends, Amarion and all of Maicha's friends and coworkers. She has touched so many lives and will be greatly missed by all.
